POLICY

The School Board has endorsed the dress code for all students at Hillman Primary School.

The School Board believes that a school dress code:

- fosters and enhances the public image of the school;
- assists in building school and team spirit;
- gives students a sense of belonging and pride in their school;
- ensures students are safely dressed for specific school activities; and
- encourages equity among students.

Students representing Hillman Primary at events must wear the correct school uniform.
